ASHL

°ASHL

The ASHL is Arakawa's "large" size ArtSafer hook. A weight-activated, battery-operated, self-contained alarm hook. Attach it to a cable, hang your framed art, remove the alarm activation ring, and you're done. If the art is lifted (or the cable is cut), the piercing alarm will sound.

° Product Information

cable size
1/16" 1.5 mm
3/32" 2.5 mm

2-3

maximum weight
1/16": 65 lbs. 30 kg
