

ASHM

°ASHM

The ASHM is Arakawa's "medium" size ArtSafer hook. A weight-activated, battery-operated, self-contained alarm hook. Attach it to a cable, hang your framed art, remove the alarm activation ring, and you're done. If the art is lifted (or the cable is cut), the piercing alarm will sound.

° Product Information

cable size

3/64" 1.2 mm

1/16" 1.5 mm

1-2

maximum weight

3/64": 40 lbs. 18 kg

1/16": 65 lbs. 30 kg

function

midway: hook with alarm

installation instructions

Attach to D-ring or wire on back of picture frame (or other ring). Unscrew alarm activation ring, store in a safe place; lift picture frame to test alarm.
